

1. Purpose

This SLA outlines the service levels and escalation process for handling customer support requests related to orders, payments, returns, and technical issues on [Your E-commerce Site].

2. Support Hours

- Standard support: Monday-Friday, 9 AM - 6 PM IST
- Weekend support: Saturday, 10 AM - 4 PM IST
- Emergency issues (e.g., payment failures, site downtime): 24/7 monitoring

3. Ticket Severity Levels

Severity Description Initial Response Time Resolution Target

P1 - Critical Site down, payment gateway failure, multiple customers impacted 30 minutes 4 hours

P2 - High Order processing errors, refund failures, shipping label issues 2 hours 1 business day

P3 - Medium Individual customer issues (returns, exchanges, account access) 4 hours 3 business days

P4 - Low General inquiries, product info requests 1 business day 5 business days

4. Escalation Path

- Level 1: Customer Support Agent -> handles initial queries.
- Level 2: Support Team Lead -> if unresolved within SLA target.
- Level 3: Operations Manager -> for persistent or high-impact issues.
- Level 4: Executive Sponsor -> for critical escalations affecting business continuity.

5. Communication Channels

- Email: support@shopassist.com
- Live Chat: available during support hours

- Phone: +91 77777 77777 for urgent escalations

6. Monitoring & Reporting

- SLA compliance tracked monthly.
- Escalation reports shared with management.
- Continuous improvement based on customer feedback.
